This article has been retracted. The author have plagiarized part of a paper that had already appeared in *Formatif: Jurnal Ilmiah Pendidikan IPA* Vol.2, No.2, Year 2016 in Indonesian Language and available online at <http://journal.lppmunindra.ac.id/index.php/Formatif/article/view/947>. One of the conditions of submission of a paper for publication is that authors declare explicitly that their work is original and has not appeared in a publication elsewhere. Re-use of any data should be appropriately cited. As such this article represents a severe abuse of the scientific publishing system. The scientific community takes a very strong view on this matter and apologies are offered to readers of the journal that this was not detected during the submission process.
