AUTHOR GUIDELINES

1. Manuscripts written for JOG include research outcomes, field research or literary research and articles reflecting social, politics and government phenomena.
2. Manuscript is written in Indonesia or English. The writing system for research outcome is title, name of the writer, abstract with key words, Introduction, methods, Result and discussion, conclusion, and reference.
3. Manuscript is typed using Microsoft Word program on HVS Kuarto paper around 6000-9000 words, Cambria size 12 pts and 1 space.
4. Manuscript is to be submitted directly to the jog@untirta.ac.id or by creating user account as an author in <http://jurnal.untirta.ac.id/index.php/jog/user/register>.
5. Title of the article cannot exceed 15 words. The title is typed with a centered capital letter in 14 pts.
6. The name of the author is written without any academic degree, followed by the name of author's institution, located under the title of the article. In case manuscript written by the team, the editor is only in contact with the main author or the first mentioned author. The main author must include his/her correspondence address or e-mail.
7. The abstract and keywords must be written in English. The length of each abstract is around 100-200 words, while the limit of key words is 3-5 words. The abstract, at the least, must contain the aim, method, and result of the research
8. Tables and figures must have titles and have a clear number and sources, and be typed in single space. In case of pictures or figures, it is better to attach the white-black format.
9. The list of references only contains referred sources, and all referred sources must be mentioned on the list. Reference sources consist of, at the least, 80% printed literature published in the last 10 years. The reference sources in the form of research articles in a journal or in a research report (including undergraduate theses, master theses, dissertations, books, and other relevant publications).
10. All reference mentioned should be written down in reference using American Psychological Association (APA) style and arranged from A to Z. for example (Zizek, 2010)
11. Check each referred article for accuracy and make sure every quoted work in the article is written in Bibliography and References. Works that are not cited but mentioned in the Bibliography or References will be omitted by the editor.
